

High-Five Harvest with FREE First Pass Lines

No commitments. No termination fee. Just FREE lines for activating.

High-five Harvest this fall with Verge. It's simple. Verge would like to offer new customers FREE optimized guidance lines for a one-time activation fee of \$1500. Decide to subscribe before Spring? No problem, Verge will credit the activation fee against new subscriptions activated before May 1, 2021.

For new customers only. No commitment. No termination fee. Just FREE lines for activating. Limited to 3000 acres per customer. Customer referral program still in effect. Available to USA and Canadian residents. **Offer available until 11:59PM MT on July 31, 2020.**

How does it work?

1

Contact Us

Simply email info@vergeag.com or visit www.vergeag.com/harvest-promo/ and fill out the form
