Launch Pad Terms of Use

Introduction

The Verge website (the "Site") is a copyrighted work belonging to Verge ("Verge") grants you the right to use the Site subject to the terms and conditions of use ("Terms of Use") set forth below. Please read these terms of use carefully. By accessing the site, other than to read these terms of use for the first time, you agree to be bound by the terms and conditions below. If you do not wish to be bound by these terms and conditions, you may not access or use this site.

License to use website

Subject to the terms and conditions of this agreement, Verge grants you a limited, royalty-free license to view the materials contained on the Site (the "Materials") and make such copies only as may be incidentally created during your exercise of the foregoing through the normal operation of a commercially available web browser and a gateway cache and proxy obtaining the Materials from the Verge server. You are not granted any right to use Verge's trademarks, logos, trade dress (including without limitation the layout of the Site) or other marks, and all such items shall remain the exclusive property of Verge.

Unless otherwise stated, Verge and/or its licensors own the intellectual property rights in the website and material on the website. Subject to the license below, all these intellectual property rights are reserved.

You may view, download for caching purposes only, and print pages from the website for your own personal use, subject to the restrictions set out below and elsewhere in these terms and conditions. You must not:

- Republish material from this website (including republication on another website);
- Sell, rent or sub-license material from the website;
- Show any material from the website in public;
- Reproduce, duplicate, copy or otherwise exploit material on this website for a commercial purpose;
- Edit or otherwise modify any material on the website; or
- Redistribute material from this website

Modification

Verge reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Site (or any part thereof) with or without notice. You agree that Verge will not be liable to you or to any third party for any modification, suspension, or discontinuance of the Site.

Treatment of Personal Information Received Through the Site

We use the term "Personal Information" to refer to information that, by itself, would permit someone to identify or contact you, such as your full name, address, telephone number, or email address.

Submission of all Personal Information through the Site is voluntary. By deliberately and expressly sending personal information to Verge through the Site, you authorize Verge to collect the personal information that you submit and to use it consistent with the terms of Verge Privacy Policy (the "Privacy

Policy.”)

Verge does not want to receive confidential or proprietary information from you through our website. Except as provided in the Privacy Policy, information or material sent to Verge through its website will be deemed NOT to be confidential. Review the Privacy Policy to learn more about Verge’s privacy practices on the Web.

External Links

Verge makes no representations whatsoever about any other website which you may access through this one. When you access a non-Verge website, even one that may contain the Verge-logo, understand that it is independent from Verge, and that Verge has no control over the content of that website. In addition, a link to a non-Verge website does not mean that Verge endorses or accepts any responsibility for the accuracy of the link, the content, or the use, of such website. It is up to you to take precautions to ensure that whatever you select for your use is free of such items as viruses, worms, Trojan horses and other items of a destructive nature.

Accuracy of Content

Verge does not warrant the accuracy or completeness of the information provided on the site. Verge may make changes to the information contained herein at any time, without prior notice to you. Information at this site that is periodically updated may not be current at the moment you visit this site and may contain errors. Contact Verge directly at the email address below for updated information before relying on any information provided at this site. In no event shall Verge or any party involved in creating, producing, or delivering this site be liable to you in any manner whatsoever for any decision made or act or omission by you in reliance upon information provided at this site.

Disclaimer of Warranties

The information on the site is provided “as is” without warranty of any kind, either express or implied, including, without limitation, warranties of title or noninfringement or the implied warranties of merchantability or fitness for a particular purpose. Verge assumes no responsibility for errors or omissions in this site or other documents that are referenced by or linked to this site. Some jurisdictions do not allow the exclusion of implied warranties, in which case any implied warranties shall be limited to the minimum scope and period permitted by law.

Limitation of Liability

In no event shall Verge be liable for any indirect, incidental, special, or consequential damages of any kind, including, without limitation, those resulting from loss of use, data, or profits, whether or not Verge has been advised of the possibility of damages, on any theory of liability, arising out of or in connection with the use or performance of the site or any information provided in connection with the site. Some jurisdictions do not allow the limitation or exclusion of liability for consequential or incidental damages so the above limitation or exclusion may not apply to you.

Copyright

The Site and the Materials are copyrighted works of Verge. Neither the Site nor the Materials may be reproduced, displayed, modified, or adapted, distributed or transmitted in any form by any means

(including, but not limited to, electronic duplication or transmission) without the prior written permission of Verge except as set forth in these terms and conditions.

Amendments to the Terms of Use

Verge may at any time revise these terms by updating this posting. By using this website, you agree to be bound by any such revisions and should therefore periodically visit this page to determine the then current terms to which you are bound. Certain provisions of these Terms of Use may be superseded by expressly designated legal notices or terms located on particular pages of this Site, including, but not limited to, the Privacy Policy.
